

MOTION BY SUPERVISOR YVONNE B. BURKE

June 15, 2004

Each year the Los Angeles Superior Court sponsors the Court-Clergy conference to educate pastors about the Court system so they can give parishioners accurate information on legal matters such as divorce and drugs. The daylong symposium is convened for religious leaders to explore hypothetical situations that might lead to court proceedings. The forum features panels of judges, clergy and other justice system professionals, such as public defenders and district attorneys. The panelists will detail court processes used to resolve hypothetical situations, which can be applied when resolving real-life problems.

This year the Court-Clergy conference will convene in the City of Compton at the City Council Chambers, which is a central location for both Court and Clergy leaders.

THEREFORE, I MOVE THAT THE BOARD:

Parking fees be waived for approximately 150 cars at \$3 per car, excluding the cost of liability insurance, for parking at the Compton Superior Court five star parking structure on Thursday, June 17, 2004 from 8:00 A.M. TO 4:30 PM for the participants of the Court/Clergy Conference.
